INTERNATIONAL CONFERENCE
On
EQUITABLE AI
TRANSFORMING EDUCATION, ADVANCING SUSTAINABILITY, AND EMPOWERING ENTREPRENEURSHIP

Organised by
Shri Shankarlal Sundarbai Shasun Jain College For Women, Chennai
in Collaboration with
Hensard University, Nigeria

(HYBRID MODE)

DATE: February 21, 2025

VENUE: Shri Shankarlal Sundarbai Shasun Jain College for Women

ABOUT THE COLLEGE

Sri Swetambar Stanakwasi Jain Educational Society (Regd.) was founded in the year 1937. Shri Shankarlal Sundarbai Shasun Jain College for Women (established in the year 2005) has been recognized as a premier institution of higher learning for women. The society has been rendering service to the community by enabling women to realize their inherent potential and by moulding them into competent, self-reliant and socially responsible citizens.

These attributes of absolute dedication have contributed in a large measure to the position of distinction occupied by the College. The College management is committed to creating an atmosphere in which the zest for learning thrives and students are trained not only academically but also to be women of convictions and values.
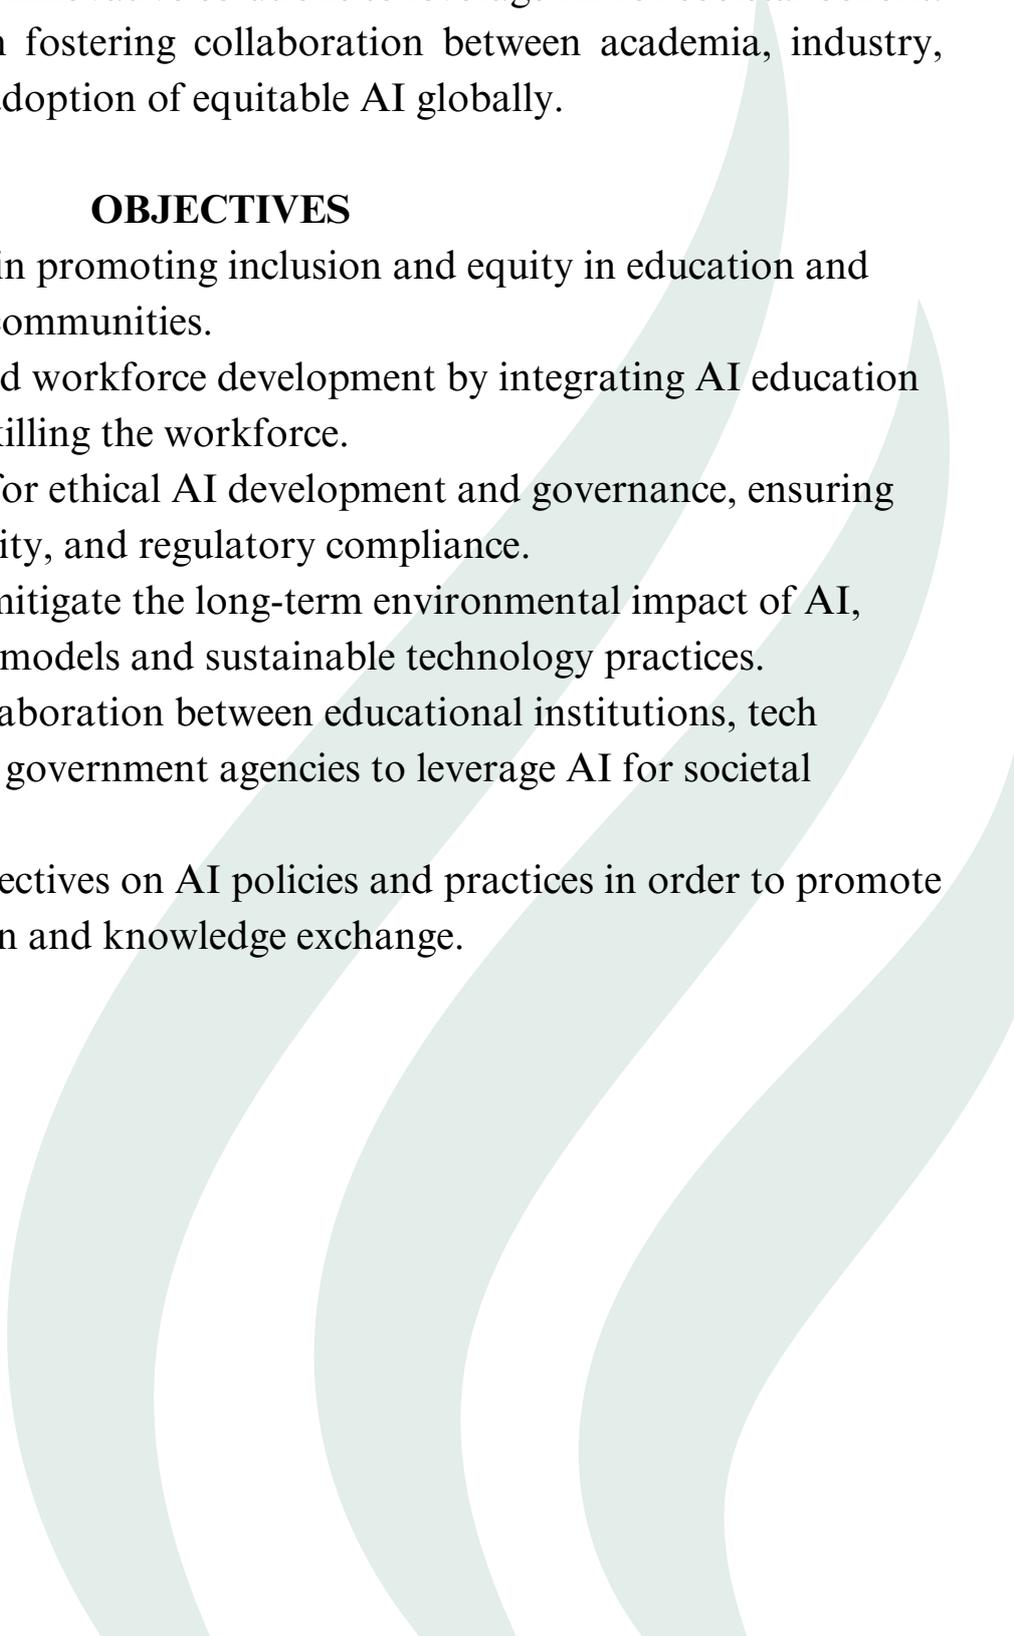

ABOUT THE DEPARTMENT

The PG & Research Department of Commerce at Shasun Jain College for Women focuses on academic excellence and advanced research in Commerce. The Department offers postgraduate programs designed to equip students with the knowledge and skills necessary for the modern business world. With a strong emphasis on practical learning and industry collaboration, the Department promotes research in areas such as Finance, Marketing, and Entrepreneurship, fostering innovation and leadership. Faculty expertise and a dynamic curriculum ensure a comprehensive and enriching educational experience for students.

ABOUT THE CONFERENCE

The International Conference on Equitable AI aims to explore the critical role of Artificial Intelligence (AI) in creating equitable, ethical, and sustainable solutions across key domains such as education, environment, and entrepreneurship. With AI rapidly transforming these sectors, the conference will address how AI can promote inclusivity, enhance workforce development, foster ethical governance, and reduce its environmental footprint. This event brings together experts to discuss challenges, share best practices, and offer innovative solutions to leverage AI for societal benefit. The conference will focus on fostering collaboration between academia, industry, and government to drive the adoption of equitable AI globally.

OBJECTIVES

- To explore the role of AI in promoting inclusion and equity in education and supporting marginalized communities.
- To enhance AI literacy and workforce development by integrating AI education into curriculums and upskilling the workforce.
- To establish frameworks for ethical AI development and governance, ensuring transparency, accountability, and regulatory compliance.
- To examine strategies to mitigate the long-term environmental impact of AI, including energy-efficient models and sustainable technology practices.
- To foster cross-sector collaboration between educational institutions, tech companies, start-ups, and government agencies to leverage AI for societal benefits.
- To assess the global perspectives on AI policies and practices in order to promote international collaboration and knowledge exchange.

CALL FOR PAPERS
Papers are invited on the following themes but are not limited to

I. INCLUSION AND EQUITY IN AI
- AI to Reduce Educational Inequities
- Designing AI for Marginalized Communities
- AI in Rural and Urban Educational Settings
- Bias Mitigation in AI Tools
- Fairness and Transparency in AI Applications
- Case Studies and Best Practices

II. AI LITERACY AND WORKFORCE DEVELOPMENT
- Integrating AI into Curriculums
- Up skilling and Reskilling Teachers and Students in AI
- AI for Entrepreneurs and Startups
- Addressing the AI Skill Gap
- AI for Economic Growth and Employment
- AI in Vocational Training

III. ETHICAL AI DEVELOPMENT AND GOVERNANCE
- Transparency and Accountability in AI
- Ethical Frameworks for AI Policy
- Responsible AI Innovation
- Regulatory Standards for AI Systems
- Balancing AI Innovation with Social Responsibility

IV. LONG-TERM ENVIRONMENTAL IMPACT OF AI
- Green AI: Energy-Efficient Models
- Sustainable AI Development Practices
- Role of AI in Climate Change Solutions
- Reducing the Carbon and Water Footprint of AI
- Environmental Metrics for AI Technologies

V. CROSS-SECTOR COLLABORATION
- Public-Private Partnerships in AI
- Collaboration between Tech and Education Sectors
- AI for Social Good: Government and Industry Roles
- Funding Models for Collaborative AI Research
- Innovative Models for AI in Education

VI. GLOBAL PERSPECTIVES AND COLLABORATION
- Global AI Ethics
- Global AI Policies and Regulations
- AI for Global Challenges
- Global AI Standards and Best Practices
- Inclusive International AI
