ABOUT

SREE MUTHUKUMARASWAMY COLLEGE

Sree Muthukumaraswamy College (SMKC), established under the Sree Muthukumaraswamy Devasthanam Educational Society founded in 1979, is a premier institution in North Chennai dedicated to value-based, character-building education. With a legacy of academic excellence and a strong team of dedicated educators, SMKC focuses on holistic student development through quality teaching, innovative curriculum, and community-oriented learning. The college inspires students to become responsible citizens and confident professionals equipped to face future challenges. SMKC offers courses in Management, Commerce, Computer Applications, Science, and Criminology. 12 UG courses, 2 PG courses, and 1 Ph.D Course. The college provides excellent facilities including a Computer Lab, Scholarships, Soft Skill Training and 100% Placement Support to all students.

ABOUT IINTP NEXUS LLP

IINTP (Institute for Industrial & New Technology Practices) is a platform dedicated to bridging the gap between academic learning and real-world skills. Partnering with colleges and corporates, we deliver industry-aligned, accreditation-ready, and outcome-driven programs. Focused on employability, innovation, and measurable impact, IINTP empowers learners and institutions to stay relevant and future-ready.

Vel Tech

ABOUT THE CONFERENCE

This international conference is designed for participants from diverse academic disciplines to explore interdisciplinary knowledge and foster collaboration across fields. It provides a platform to exchange ideas, showcase innovative projects, and engage in discussions that connect theory with practical applications.

By bringing together students, faculty, and professionals from various areas, the conference encourages holistic learning, creative problem-solving, and the sharing of insights that can inspire new approaches in education, practice, and professional development.
